RICHES IN CHRIST - JENNY

Ideas for discussion:

We have some time now to think about the areas where we feel poor, share them with others, and ask God together to reveal the mystery of the all-satisfying Christ being enough for our situation.

1. Share briefly about someone who is walking through lack in a way that you can see the mystery of knowing Christ making them rich.
2. Where do you experience lack? Where do you feel poor?
3. What aspect of Christ's riches have you understood and experienced more deeply through some kind of poverty/lack/need?
4. How is your present situation inviting you to reach into the riches of knowing Jesus for yourself?

Ideas for application:

Pray together - "remembering your chains" and using Scriptures like:

Eph 3:14-21

Luke 1:53

Isaiah 51:1

Col 2:1-7

to ask God for the riches of Christ to satisfy you.

Listen together to God on behalf of each woman in your triplet - if He lays something on your heart, share it.
